GRACE IN TANGIER.

A Dauce Before an American by Three Eastern Houris.

"Presently an elderly Jewess enters

and, courteously nodding at the cushions, seats herself on the floor, which

apparently is a signal for Selim to de-

room, just as three magnificent Jewish

girls, clad like Bluebeard's wives, en-

ter. The venerable lady suddenly be-

came de trop, but she persisted in ig-noring the fact, and the girls begin

their slow, graceful dance at the further

and of the room, themselves supplying

the music by softly singing, in perfect

harmony and in accurate time, some

sweet wavering Hebrew melody, which

seemed to have been especially com-

posed to fit the slow, hesitating gliding

"The rhythm of sound and motion is

accurately maintained by the measured

clapping of hands. The loose trousers

gathered at the ankle, the bare feet

and the long, filmy and perfectly trans-

parent silk veils -through which spar-

softened and made gentle by the pink

kled the khol-darkened Jewish eves.

exit, and are gone." -Scribner.

The Mouths of Leaves.

Plenty of land for hickens to run. Good title, No mort-age. 1810 Fannie Ave. there is a soft pressure of the crowd be- an elephant at a run being enough hind him in the same direction. It is to shake one to pieces. his first introduction to the reticences as the mahout found that he had and restraints of high life, an introduction which is emphasized and made more impressive by the disinclination efforts to prayers to the whole Hindoo of the receiving women to shake hands, or to indicate their recognition of the new member by anything warmer or more emphatic than a courtesy, which, we should have been utterly helpless if however, is quite enough for the left alone on the back of a strange eletimorous wife at his side, who, much more than her husband, shrinks be-fore the grand dames of the White into a steady stay on the beast's neek, House and cabinet, some of whom were a process that was uncommonly diffiborn to polite society, while some have cult. How difficult no one can tell who acquired a large amount of social assurance during their husbands' struggles up the ladder of fame.

Other persons besides congressmen are here, some of them equally uncomfortable, many of them, however, en- elephant. To make matters worse we joving themselves to the utmost. There is a panorama of all that is prominent in official and political There are officers of the army and navy who have been on staff duty at the capital, and are now undergoing, with pleasure or fortitude, as the Luckily for us the rest of the party. case may be, the pronounced admira- all of whom had been splitting their tion of young women. There are older sides laughing as long as the case was officers, who have been more recently a simple runaway on the plain, now on the plains, and who come to the function with wives and daughters and ing their horses to between us and the sisters with a delight or reverence due. to their honest thinking, to the highest and most resplendent social ceremony maidan until at last it was gradually in this country-the drawing-room not only of the head of the nain-chief of the two military services. The army and navy folk of the staff are usually of that inner circle whose pecaliar traits and enstons are not now under consideration; but the army people who have spent years on the plains know nothing better, or higher, or wiser, or generally more praisefore they will be found together, although the excited women, who have for years endured with a noble patience the monotony of life at army posts, are rejoiced beyond words if they may only grasp the hand and hear the voice of some paragon of congres-

sional wisdom who has been good to their husbands or to the service. There will be diplomats in dazzling uniforms; Chinese mandarins in silk attire; Japanese officials, the mengin the black evening dress of convention, and the women in the proper costume

of Europe and America. Nearly every one of those who make up this interesting human collection finds somewhere in the moving throng a friend or comrade who will save him from that terrible isolation of an even ing party which most persons have felt, and which is often as depressing as the solitude of a great city. There is little need to be alone, and the ob ject of a wondering gaze that freeze the warm blood, in a crush at a Wash ington reception.-Henry Loomis Ne son, in Harper's Magazine

SPORT IN INDIA. A Battle in the Air Between Kallian and

Hawk. dant on the upper surface of leaves; Though hawking is not a common each is an oval opening, guarded by a pair of lips which open and close acsport of India yet, in some parts of th country it is a favorite amusement ording to requirements. They vary the nobles. Some of the bawks in th from less than one thousand to more cast are especially fine birds, one in than twenty thousand to the square Arabin being so large that it is used for inch of leaf surface. - St. Louis Repubtaking gazelles and the smaller antelopes. Perching on the head of its quarry this hawk confuses and worries the animal until it falls exhausted, and recting the footsteps of the aged and infirm." "Good for him. How does he do it?" "Bosses the street-cleaning t is even said that it will step the gazelle by holding on to a horn with one claw while grasping weeds and bushes with the other. The hawks lent by Sir Salar Jung to us were of two kinds, a small hobby hawk that gave us lots of fun in particular by hunting screech owls from their trees in the dayting and their trees in the dayting and their The scene was a ball. A gentleman the daytime and some ly, "you have trod on my partner's foot. I demand satisfaction." noble falcons. These wore hoods and jesses much of the old English style, and were tended with the greatest care, the men looking after them soon as you like."-Drake's Magazine, being quite high up in the ranks of the servants. Our system of hawking was simple enough. The ladies were put on elephants while we role horseback, and the men in charge looked out for "Then I could see how I looked withbirds worthy of being chased. These were mostly to be found near marshes out a looking-glass," said Bobbie,were mostly to be found near marshes and were of the crane tribe. One, the kallian, known in English as the beef steak bird on account of the fact that the flesh of its breast makes a very good imitation of a large beefsteak was the best of all for bawking. It is a bird that as soon as the sun grows warm begins to tower, continuing the process until it has gone far out of the vicenam. Mrs. Dobson-I can't think what to give my husband for a birthday present. Mrs. Parker-I heard him saying the other day he'd like a little peace for a process until it has gone far out of

hawk to be used would certainly catch a view of the crane and then they would unhood it. The kallian, a timid bird, although a large one, would com-mence towering almost as soon as the tion night, or at the house of a cabinet hawk was thrown oif, and the ensuing officer on a Wednesday afternoon, or of maneuvers for position and the upper hand would be most interesting. Occaat any place to which people are asked sionally the crane would tire out the for their public position, there will be hawk and make off, but generally the found men and women representing latter, foiled as it might have been in a dozen swoops, would finally make a successful one. Attack and defense were always the same, the crane is to be found in the public places of invariably turning on its back the republic-in the house of repre- as soon as it saw the hawk's swoop imminent, rapidly pointing inet, on the supreme bench, and in the its beak in a way to allow the White House itself. It is a strange and hawk to transfix itself thereon. In interesting accumulation of human attack the hawk sought to strike the beings, most of them too timid to be as crane full tilt with its crest, catching interesting as they might be. Even the falling and then unresisting body when the president issues cards, the in its talons before the pair reached the ground. Occasionally a hawk was killed by the bayonet-like bill of the The new congressman takes his wife crane, but the eye of the former was to the president's, expecting to find the generally sharp enough to avoid such an ending. While the birds were thus busy up in the air we riders had to follow under them, at full gallop very often, in order to watch the duel going on up above, and as the eyes were all the time kept on the struggle it often fell out that horses would come down a nasty cropper through being unwittingly steered into a hole or a bit of watercourse.

On one occasion my wife and I had with the battery, and I had ordered on The animal being a bit restive I made up my mind to ride with her, orclimbing the bank on the far side of a went the elephant. Instead of having lost his head entirely and confined his pantheon in the direction of providing him a soft falling place when he made the jump he saw to be inevitable. phant there was nothing to be done but to beat, throttle and grip, the mahou has not tried to hold a shricking girl with one hand, while grasping nothing but a simple rope and busied in chole ing a struggling mahout with the other, the whole on the back of a runaway were rapidly nearing a grove of large tamarind trees. Nothing connected with work on elephants is more dangerous than to be taken through trees by a runaway, as you are liable to be brushed off or crushed by every bough. saw the impending danger, and galloptimber headed off the elephant and by circling continued it to one part of the brought to a halt. It was a newcome from Burmah and had been detailed but of the commander- for us through a mistake. - Capt. C. W. Bellairs, in American Field.

Retribution. here's an evening up of matter In this curious word of ours; Just a sort of compensation Granted by the higher powers: And we ne'er have seen it clearer, And, methinks, we never will. Than when gazing at a plumber

Settling a coal dealer's bill He Escaped.

"Sir?" questioned an frate female shopper as she pounced upon a small man who was pacing the store, "are you the floorwalker?" "N-n-no, ma'am," he gasped, "I-I'm o-o-only the p-p-proprietor."-Detroit
